continually disrupted his classroom environment by breaking wind and shutting off several computers.

was written a discipline referral , asked to report to the discipline office and once he arrived I came in contact with him.

His referral, which was written by his teacher, D.C. Carden stated that deliberately passed gas to disrupt the class and that during computer session he turned off other students computers which resulted in a disruption of their class work.

I asked if the incidents were true , he subsequently informed me it was factual and I informed him as a result of his behavior he was being charged with Disruption of a School Function.

was placed under arrest, a Juvenile Arrest Affidavit was completed and he was released to his mother.
